

FIELD TRIP TO RED STAG CROSS-LAMINATED TIMBER PLANT

Thursday 19th September 2024, 15:00-16:00

Numbers are restricted

The Red Stag Timber CLT (Cross-Laminated Timber) Plant is located in Rotorua. It is part of the Red Stag Timber Company, which is the largest sawmill in the southern hemisphere. The CLT plant, opened in 2021, is a significant addition to their operations, focusing on producing and storing CLT panels.

Directions: Turn off SH5 onto Waipa State Mill Road. Arrive at parking for Red Stag Timber, end of Waipa State Mill Road. The attached aerial views show where to go, where to park and where we will meet.

PROGRAMME

15:00 Meet in the Red Stag Investments Building (Black and Grey Building in front of Reception). Check everyone has appropriate PPE and brief induction.

PPE Required: Hi-vis vest, hard hat, safety glasses, hearing protection and preferably safety shoes although low heeled fully covered shoes are acceptable.
