

WELCOME TO THE NZ PULP & PAPER INDUSTRY

Thursday 21 February 2019 2:00-5:30pm

The **aim** of this afternoon is to give newcomers to the pulp and paper industry an overview of the NZ industry, and to give them a chance to meet other new comers in an informal way. We hope this will help them understand more quickly how the mills function, and to make contacts and establish their own network faster than has happened in the past.

The **program** will broadly introduce what each mill does, the processes, the products and give everyone a chance to meet each other in an informal way - there will be time to have drinks and a quiz with some prizes for the best team.

The **target participants** are anyone in the industry with less than 1 to 1.5 years' experience. This includes new graduates, operators, designers, technicians, process engineers, marketing, quality control, managers, administrators, suppliers and vendors – there are no restrictions.

There is **NO COST** to participants. Appita is hosting the afternoon, and just asks for employers' support by allowing staff to attend the afternoon.

Pre-registration is required though. Please give names **by**

Thursday 14th February 2019 to:

Karen Clark at Appita NZ

Email: appita.nz@xtra.co.nz Phone: 07 350 2252

Registration: 2:00pm Program begins: 2.15pm

Venue: Rimu Room, Scion, 49 Sala Street, Rotorua

BENEFITS

- * Get an overview of the NZ pulp and paper industry - your industry!
- * Meet others new to the industry, make contacts and set up your own network, and make friends
- * Learn about Appita – the not-for-profit industry association serving the New Zealand and Australian pulp and paper industry

The first Appita Dinner and Technical Meeting of 2019 is being held following the Welcome, starting at 6pm. There is a charge for attendance at this, and details follow in the new year.
